Use the media creation tool to download Windows. This tool provides the best download experience for customers running Windows 7, 8.1 and 10. To learn how to use the tool, go to the [Installing Windows 10 using the media creation tool page](#). Tool includes:

- File formats optimized for download speed.
- Built in media creation options for USBs and DVDs.
- Optional conversion to ISO file format.

If you're on an **Enterprise edition**, the media creation tool won't work for an upgrade. Please see the [Volume Licensing Service Center](#) for more information.
