VOX BALAENAE

FOR THREE MASKED PLAYERS
(Electric Flute, Electric Cello, and Electric Piano)

George Crumb

Vocalize (...for the beginning of time)
Widely fantastically grotesque $\text{♩} = 64$

Electric Flute

♯ The flutist plays with gloves! The song book and study book should be carefully indexed, notes marked with the number of bars to be played through the flute, and the tape control-mechanism on top of the book is operated through the hole. The fingering changes will slightly modify the tone, thereby producing a shimmering effect.
*i.e. If flutist is female, the energy should be one octave higher (i.e. in unison with the other horns).

♯♯♯ Hard fingering for left while holding rapidly with the flutist's fingers, $\text{♩} = 64$.

♯♯♯ Play - rather long.
